Proposed Action Item:		Alignment with Plan Goals:	
Enhance communication and response coordination between all of the incorporated areas in each county.		Strengthen Organizational and Community Capacity	
Rationale for Proposed Action Item:

If areas need to be warned of an event or need emergency assistance, quick response will be difficult. ○ Resources need to be shared; coordination can eliminate gaps and/or duplication of services 			
Ideas for Implementation:			
<ul style="list-style-type: none"> ● Establish resource sharing, interoperable communications, and emergency coordination meetings (to be modeled after those conducted in Baker County) ● Determine appropriate divisions of responsibility and establish a framework for joint planning and strategic decision-making on issues of common concern.
